

June 27, 2009 – Validation Technologies, Inc. is a proud sponsor of the American Cancer Society Relay for Life in Rancho Bernardo

VTI proudly supports the fight against cancer in the San Diego community and across the nation. Teams participate in this 24 hour event while raising much-needed funds to fight cancer and raise awareness of cancer prevention and treatment.

Relay For Life is a life-changing event that brings together more than 3.5 million people to:

- Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue to fight.
- Remember loved ones lost to the disease. At Relay, people who have walked alongside people battling cancer can grieve and find healing.
- Fight Back. We Relay because we have been touched by cancer and desperately want to put an end to the disease.

Together, we fight back. For more information, please visit
