Dear David,

The organisers of the ISPE Singapore Conference 2009 would like to sincerely thank you for your participation as a speaker at this year's conference. Your presentation contained relevant information that proved interesting to our delegates. The feedback we have received reflects the satisfaction and appreciation of those that attended.

We hope that you enjoyed the conference and that you will consider returning as a speaker in future events held by the ISPE Singapore Affiliate. We appreciate the time and effort you invested in our conference and would like to congratulate you on helping us make it a successful and enjoyable experience for all present. This would not have been possible without your valuable contribution.

See you in 2010!

Yours Sincerely,
