VALIDATION TECHNOLOGIES, INC. ® RECEIVES 2010 INTERNATIONAL BUSINESS LEADERSHIP AWARD

SAN DIEGO, CA USA – HEALTHCARE INDUSTRY NEWS SERVICE – January 11, 2011 — Validation Technologies, Inc. (VTI) is honored to have been recognized as the 2010 Service Provider of the Year. Hosted by World Trade Center San Diego, the 2010 International Business Leadership Awards program spotlights the companies, people, and technologies that exemplify the best and the brightest in the San Diego international trade community. The awards equally recognize outstanding achievement in exports and imports of products and services. This program is San Diego's largest celebration of inspirational business leaders with global reach.

Each year, the World Trade Center San Diego recognizes companies in three categories: Importer of the Year, Exporter of the Year, and Service Provider of the Year. VTI has been fortunate to be selected as the award recipient in the Service Provider of the Year category.

The 2011 keynote speaker included Dr. Maynard A. Howe, PhD., CEO and Vice Chairman of Stemedica USA. The event was attended by over 300 local and international business leaders and professionals.

Validation Technologies, Inc. ® is an ISO Certified company that provides global Regulatory, Compliance, Commissioning and Validation services to the Pharmaceutical, Biotechnology and Medical Device Industries. Internationally, VTI Pharmaceutical Technologies (Shenzhen) Co., Ltd. expertly supports the firm's global outreach by supplying the same high quality services to Pharmaceutical, Biotechnology, and Medical Device companies in China and throughout Asia. The company strives to align Life Science regulatory requirements between the U.S. FDA, the European EudraLex, and China's own SFDA.

"We are honored and thrilled to receive this award," said Honey David, VTI's Marketing and Sales Manager, "VTI has worked diligently with the Chinese government in order to meet safety, regulatory, and process requirements for Pharmaceutical product that is shipped and consumed all over the world. We are extremely honored for the recognition and excited that our team's hard work and dedication presents a positive impact on international business".
