

FOR IMMEDIATE RELEASE

**VALIDATION TECHNOLOGIES, INC.® (www.validation.org) FORMS STRATEGIC ALLIANCE WITH
COMPLIANCE CONTROL LTD® (www.compliance-control.com.)**

VALIDATION SAN DIEGO CA USA – HEALTHCARE INDUSTRY E-MAIL NEWS SERVICE – FEBURARY 27, 2008
--Validation Technologies, Inc.®, a leading global provider of validation, regulatory and technical services, announces today, a strategic alliance with Compliance Control LTD. As leading specialists in regulatory compliance and validation services for the pharmaceuticals and life sciences sectors - and with compliance solutions tailored to the needs of numerous other industry sectors - ComplianceControl ensures continued corporate compliance and helps deliver significant cost efficiencies via the streamlining of regulatory processes and procedures.

With over 15 years' expertise of delivering corporate compliance - and a proven track record in designing software and systems specifically created to enhance quality, improve efficiency, pass inspection and adhere to clearly measurable Key Compliance Indicators (KCI) - ComplianceControl will work hand-in-hand with your organisation to help it meet its goals and common standards whenever controlling compliance matters.

Validation Technologies, Inc.® is an ISO Certified company that provides global Regulatory, Compliance, Commissioning and Validation services. Clients include companies in the pharmaceutical, biotechnology, medical device and clinical trials industries throughout the U.S., Middle-East, Canada, Europe, and Asia.
